Wednesday, 6:25-8:00pm AWANA CLUB

This quarter during Sunday school classes we will be going through the books of Exodus and Numbers. Explore how God saves His people from physical captivity in Egypt through His servant Moses. We will see how God provides and protects them after they are freed from their captives and learn how God instructs His people to live holy lives in an unholy world.

Parents! Check It out!

All K– 5th grade kids are receiving take home cards describing the lesson for the day. Take some time to discuss the story and find out what your child learned.

What is AWANA?

AWANA is a weekly kids club that focuses on:

1. sharing the good news of Jesus Christ.
2. training in the Word of God through Bible teaching and memorization.
3. participating in fun games and activities.

What is the AWANA Grand Prix?

This is an opportunity for parents and their kids to work together to design and build a small wooden race car. We will be gathering Sat., March 18 to race and have a good time. Kits will be available in the foyer starting in February. Awards will be given for speed and best designs. If you don't have the tools to cut out your car, there will be a cut out time at the church building on Sat., March 4 to help you out. The Grand Prix is open to all clubbers K-5. Look for flyers from your child for more information.
